CGA Family: _____

Covenant Grace Academy (CGA) invites you to partner with us in this year’s **Classroom Takeover Challenge** — a unique fundraiser where students raise pledges for the chance to be “Teacher of the Day.” This year also features a special “**Sheriff of the Day**” with Sheriff Stitch Guillory! Your sponsorship helps CGA continue providing a Christ-centered education while giving your business visibility in our school and community. With tiered sponsorship levels, every business — from local shops to large companies — can participate. Incentives include social media shoutouts, logo placement on aprons, and even yard sign recognition along busy E. McNeese Road. Together, we aim to raise **\$20,000** to continue *Cultivating Minds and Nurturing Hearts*. Thank you for your support!
